

Stand By Me (Live At Wembley Stadium, 2000)

Oasis

Made a meal and threw it up on Sunday
I've gotta lot of things to learn
Said I would and I believe in one day
Before my heart starts to burn So what's the matter with you?
Sing me something new, don't you know
The cold and wind and rain don't know
They only seem to come and go away Times are hard when things have got no meaning
I've found a key upon the floor
Maybe you and I will not believe in the things we find
Behind the door So what's the matter with you?
Sing me something new, don't you know
The cold and wind and rain don't know
They only seem to come and go away Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows
Yeah, nobody knows, the way it's gonna be If you're leavin', will you take me with you?
I'm tired of talkin' on my phone
There is one thing I can never give you
My heart will never be your home So what's the matter with you?
Sing me something new, don't you know
The cold and wind and rain don't know
They only seem to come and go away Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows
Yeah, nobody knows, the way it's gonna be
The way it's gonna be, maybe I can see, yeah Don't you know
The cold and wind and rain don't know
They only seem to come and go away Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows
Yeah, God only knows the way it's gonna be
