Lord Of The Dance

Sonicflood

You're the Lord of the dance
You're the dancing LordEverybody dance now
In the Holy Spirit
Everybody love the One, love the One
Love the One, the One you love the most now
Can't nobody stop me now
Gonna give it all I got
Gonna run to You, run to You
Run to You, just like a childIt's just this love I have inside
(yeah, I want it)
I need Your presence in my heart
(yeah, I need it)
I want You love more each day
(more and more, Lord)
and when I dance before You, Lord
I'm gonna dance with all my might
