

# Lord Of The Dance

## Sonicflood

You're the Lord of the dance  
You're the dancing LordEverybody dance now  
In the Holy Spirit  
Everybody love the One, love the One  
Love the One, the One you love the most now  
Can't nobody stop me now  
Gonna give it all I got  
Gonna run to You, run to You  
Run to You, just like a childIt's just this love I have inside  
(yeah, I want it)  
I need Your presence in my heart  
(yeah, I need it)  
I want You love more each day  
( more and more, Lord)  
and when I dance before You, Lord  
I'm gonna dance with all my might
