Angel

Anita Baker

Ooh ooh ooh ooh

Ooh ooh ooh ooh

Ooh ooh ooh ooh

Ooh ooh ooh ooh ooh ooh If I could I'd give you the world

Wrap it all around you

Won't be satisfied with just a piece of this heartMy angel

Oh, angel

You're my angel

Oh, angelDreams are dreams, some dreams come true I found a real dream, baby, when I found you

You're so strong, but tender tooYou're my angel

Oh, angel

You're my angel

Oh, angelLove like ours is heaven sent

Each day a day to remember

I feel so safe, feel secure with youYou give me love, you keep right on givin'

Fill me up, baby, with the joy of living

When things get tough I can always turn to youYou're my angel

Oh, angel

You're my angelLove the way we touch, I love the way it feels

Every time you're near me my poor heart just won't keep still

No doubt about that this love I feel is real

Ask me to go with you, you know I willHold me near, hold me tight

Only you can make it real, only you make it all right

Just let me know that I am special to youMy angel

Oh, angel

You're my angel

Oh, angelYou're my angel

Oh, angel

You're my angel

Oh, angel

You're my angel

Oh, angel
