Let It Snow!

Ray Kelley Band

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow
It doesn't show signs of stopping
And I've brought some corn for popping
The lights are turned way down low
Let it snow, let it snow, let it snow
When we finally say good night
How I hate going out in the storm
But if you really hold me tight
All the way home I'll be warm
The fire is slowly dying
And my dear we're still goodbying
As long as you love me so
Let it snow, let it snow, let it snow
He doesn't care if it's in below
He's sitting by the fire's glossy glow
He don't care about the cold and the winds that blow

He just says let it snow, let it snow, let it snow
The weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow
It doesn't show signs of stopping
And I've brought some corn for popping
The lights are turned way down low
Let it snow, let it snow, let it snow
When we finally say good night
Oh, I hate going out in the storm
But if you really hold me tight
All the way home I'll be warm
The fire is slowly dying
And my dear we're still goodbying
As long as you love me so
Let it snow, let it snow, let it snow
