

Stars over Texas

Tracy Lawrence

As you lie in my arms
Girl my hearts on my sleeve
Words come so hard, in moments like these
there's feelings I have, that are so hard to show
But right now there's one thing
I want you to know As long as the tides ebb
The earth turns the sun sets
I promise I'll always be true
And as long as there's Stars over Texas
Darling I'll hang the moon for you I know I have stumbled and caused you some tears
When you needed me most I haven't always been there
I know I'm not always the man I should be
But don't ever wonder what you mean to me As long as the tides ebb
The earth turns the sun sets
I promise I'll always be true
And as long as there's Stars over Texas
Darling I'll hang the moon for you
