Jesus Did It

Tasha Cobbs

Miracles are about to break off in your life
I need you to tap three people
And tell them for the next seven years
I'm experiencing nothing but endless miracles, breakthroughs, signs, and wonders
But guess what's going to happen
A bunch of haters are going to start coming to you
Trying to make you discount what God has done in your life
So I heard the Spirit of the Lord say let this be your testimonyJesus did it
Jesus did it
Healed my body
Changed my life
Yes he didI need somebody to go crazy in the room
I need somebody to go crazy in the room
Some of y'all go back to the doctor and
They're not going to be able to find what it is they found before
You outta walk right up in the room with a doctor's report and shoutJesus did it
Jesus did it
Jesus did it
Jesus did it
Yes he didIs it alright if we praise him right now
I mean I don't know about you but I'm no waiting on nothing else
If that's your word you wanna receive it right now
Some of us have been receiving denial after denial
Is it alright if I prophesy right here
Some of us have been receiving denial after denial after denial
No after no after no
But I declare that God is about to give you a yes
And with that yes your only testimony needs to be thatJesus did it
Jesus did it
Jesus did it
Jesus did it
Yes he didSomebody shout in this room
Somebody shout
Shout
