

# Mallo Cup (Peel Session)

## Lemonheads

Here I am outside your house at 3 a.m.  
Try'n to think you out of bed.  
I whistle at your sill,  
It echoes 'cross the street instead.I never will forget.  
I ain't remembered yet.  
Like mackeral in a net,  
I forget to forget.And you saw nothing in my eyes but yourself.  
Nothing in my eyes.  
I can't seem to find the same in no one else,  
I guess it's no surprise.I never can forget.  
I ain't remembered yet.  
Like mackeral in a net,  
I forget to forget.
