Stuck on You

Lumidee

Maybe I could be the one for you
'Cause, baby, I don't know what else to do, I try to play it cool
I see you walking up and down the street, with her I can't compete
And, no, she's not special at all, is that she has you in a ball?I'm stuck on you, it's true, I'm stuck, I'm stuck on you
I know it's true, I can't get past it too
I'm stuck on you, I don't know what to do
I'm stuck on youI wish that I could be your lucky charm
I will keep you far away from harm, that's something she won't do
So I would stay up late at night just to lend you my advice
You talk about other girls when inside you are my worldI'm stuck on you, it's true, I'm stuck, I'm stuck on you
I know it's true, I can't get past it too
I'm stuck on you, I don't know what to do
I'm stuck on youI wondered if it'd be the same
Or somehow would your feelings change
If you knew that I was stuck on you?I wondered if it'd be the same
Or somehow would your feelings change
If you knew that I was stuck on you?I'm stuck on you, it's true, I'm stuck, I'm stuck on you
I know it's true, I can't get past it too
I'm stuck on you, I don't know what to do
I'm stuck on you
