## **Emotional**

## **Agnes**

I don't need a heartache And crushes can be so fake Sooner than you know it They turn your world aroundYou might think I'm crazy When I don't want red roses, yea I'd rather have you promise To never let me downI don't wanna fall in love I try and try, but then we get emotional Oh I don't need a hit and run Don't tell me we were only having funKinda like your sweet talk And that could make a good start But if you want to move me oh Play it straight with my heartI don't wanna fall in love I try and try, but then we get emotional Oh I don't need a hit and run Don't tell me we were only having funSo maybe you're the one Who gets me going on But I'm not waiting for a star to fall You gotta treat me right And be my knight in white That's so emotionalMm yeah Oh yeahOh oh emotional Oh oh emotional Oh oh emotional So emotional

Oh yeaahI don't wanna fall in love
I try and try, but then we get emotional
Oh I don't need a hit and run
Don't tell me we were only having funI don't wanna fall in love
I try and try, but then we get emotional
Oh I don't need a hit and run
Don't tell me we were only having fun
