Antislavery

Skip The Use

nothing is cool
nothing is free
nothing is good ho no there's nothing for me !
i'm doing this song by my own
i'm building this world by my ownescaped from their bloody slavery
i'm the devil for them , of course you know it baby !!yes i know what to do anti slavery !life is a pain you never know before
smiling again i know you want more
i'm living in my dreams but i don't open the door
i'm li ving and dying right down on the floor
