

Hotel Hallway

[Ariel Abshire](#)

Iâ€™m in love; Iâ€™m in love in this hotel hallway
Iâ€™m in love; Iâ€™m in love in this hotel hallway
And if I die right here let me tell you
Itâ€™d be the best way
Iâ€™m in love in the hotel hallway

Fool you mightâ€™ve been
A fool I might have been
But you can hold me in you arms
â€™til Iâ€™m a hundred and ten
Fool, you mightâ€™ve been
The fool I fell in love with
And you can hold me in your arms
Until I donâ€™t know when

Iâ€™m in love; Iâ€™m in love in this hotel hallway
Iâ€™m in love; Iâ€™m in love in this hotel hallway
And if I die right here let me tell you
Itâ€™d be the best way
Iâ€™m in love in the hotel hallway

When we fell apart, we pulled it together
Knew if my heart Iâ€™d love you forever
We fell apart, we pulled it together

Fool, you might have been
The fool I fell in love with
And you can hold me in your arms
Until I donâ€™t when

Iâ€™m in love; Iâ€™m in love in this hotel hallway
Iâ€™m in love; Iâ€™m in love in this hotel hallway
And if I die right here let me tell you
Itâ€™d be the best way
Iâ€™m in love in the hotel hallway
