

# Without Her

## Blood, Sweat & Tears

I spend the night in a chair thinkin'  
She'll be there but she never comes  
And I wake up and wipe the sleep from my eyes  
And I rise to spend another day without herIt's just no good anymore when you walk  
Through the door of an empty room  
You go inside and set a table for one, it's no fun  
When you have to spend the day without herWe burst the pretty balloon  
Took us to the moon, such a beautiful thing  
But it's ended now and it sounds like a lie  
If I said I'd rather die than be without herLove is a beautiful thing when it knows how to swing  
And it grooves like a clock but the hands on the clock  
Tell the lovers to the part and it's breakin' my heart  
To spend another day without herI spend the night in a chair thinkin'  
She'll be there but she never comes  
And I wake up and wipe the sleep from my eyes  
And I rise to spend another day without herCan't go on without her  
There's no song without her  
Can't go on without her
