

# I've Got You Under My Skin

Ella Fitzgerald

I've got you under my skin  
I've got you deep in the heart of me  
So deep in my heart that you're really a part of me  
I've got you under my skinI'd tried so not to give in  
I said to myself this affair never will go so well  
But why should I try to resist when, darling, I know so well  
I've got you under my skinI'd sacrifice anything, come what might  
For the sake of having you near  
In spite of a warning voice that comes in the night  
And repeats and repeats in my ear  
Don't you know little fool  
You never can win  
Use your mentality, wake up to reality  
But each time that I do just the thought of you makes me stop  
Before I begin  
'Cause I've got you under my skinI would sacrifice anything come what might  
For the sake of having you near  
In spite of the warning voice that comes in the night  
And repeats how it yells in my ear  
Don't you know, little fool  
You never can win  
Use your mentality, wke up to reality  
But each time I do just the thought of you makes me stop  
Before I begin  
'Cause I've got you under my skin  
I've got you under my skin
