No Compassion

JDonn

In a world where people have problems
In this world where decisions are a way of life
Other people's problems they overwhelm my mind
They say compassion is a virtue, but I don't have the timeHey oh woh!So many people have their problems
I'm not interested in their problems
I guess I've experienced some problems
But now I've made some decisionsIt takes a lot of time to push away the nonsense
Take my compassion, push it as far as it goes
My interest level's dropping, my interest level is dropping
I've heard all I want to and I don't want to hear anymoreWhat are you in love with your problems?
I think you take it a little too far
It's not so cool to have so many problems
But don't expect me to explain your indecisionsGo talk to your analyst, isn't that what they're paid for?
You, you walk, you talk, you still function like you used to
It's not a question of your personality or style
Be a little more selfish, it might do you some goodIn a world where people have problems
In this world where decisions are a way of life
Other people's problems, they overwhelm my mind
They say compassion is a virtue, but I don't have the timeHere we go again
