Before We Say Goodbye

2gether

Before we say goodbye
Before we turn and walk away
Let's give it
One more try
Before we say goodbyeBefore we close that door
Before we go our separate ways
Let's stop and find out why
Before we say goodbyeWe've been down this road before
And we've always made it through
But in case we break up
Can I still have sex with you
(Have sex with you?)
Before we lose this love
Before we throw it all away
Girl, don't do another guy
Before we say goodbyeOoh.Don't wanna say goodbye
Before we say goodbyeWe've been down this road before
And always made it through
But in case we break up
Can I still have sex with you?
(Have sex with you?)Ooh.before we lose this love
Before we throw it all away
Girl, don't do another guy
Before we say goodbye
Let's give it
One more try
Before we say goodbyeOoh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Before we say goodbyeOoh Ooh Oohh
Oh no, you make me cry
Ooh ooh ooh
Before we say goodbye
Repeat
