

# Happiness, Missouri

EL VY

Wide awake while someone counts the minutes  
Happiness, Missouri, I got to get your mind off  
By the way, I told you we were in this  
Happiness, Missouri, I got to get your mind offWide awake while someone counts the minutes  
Happiness, Missouri, I got to get your mind off  
By the way, I told you we were in this  
Happiness, Missouri, I got to get your mind offPeople are nice  
They go easy on us, but  
I'm on the Sun todayI murder each  
Try to pinch my cheeks  
Cause you're making me wanna stop  
Wide awake while someone counts the minutes  
Happiness, Missouri, I got to get your mind off  
By the way, I told you we were in this  
Happiness, Missouri, I got to get your mind off
