Try Too Hard

Teddy Geiger

Love, life, one speaks for the other one here
And love, life, one speaks for the other one now
We'll try to get byDid anyone try too hard? Well I guess I did
I guess I did, alright, she'll break my heart
Did anyone try too hard? Well I guess I did
I guess I did, alright, she'll break my heart
She'll break my heart'Cause ever since the minute I saw your face
Well, I knew I wanted to be in that place, next to you, yeah
And now I'll spend my whole life tryin'
To be the one that's in your arms and I'll try to get byDid anyone try too hard? Well I guess I did
I guess I did, alright, she'll break my heart
Did anyone try too hard? Well I guess I did
I guess I did, alright, she'll break my heart
She'll break my heart, she'll break my heartIsn't it alright? Why can't it be just this once alright?
It will be you and meDid anyone try too hard? Well I guess I did
I guess I did, alright, she'll break my heart
Did anyone try too hard? Well I guess I did
I guess I did, alright, she'll break my heart
She'll break my heart
