

# Mayday

## Crimson Glory

Countdown to zero, ignition  
Warning  
Rising in smoke, glowing fire

Thrusting into the sky of the morning  
Warning  
All system down

Mayday!  
Mayday!  
Mayday!  
Mayday!

In search of the glory  
They reach for the stars  
With honor and courage  
They die!

Mayday!  
Mayday!  
Mayday!  
Mayday!

Thunderous roar of the engine  
Screaming  
They fill the sky, burn trails

Down through the clouds falling faster  
Disaster  
Taking their lives

Mayday!  
Mayday!  
Mayday!  
Mayday!
