

# Break Down

## Fanmail

what's your excuse now?on bought time  
it's all mine  
you know you get what you pay for  
vulgar scenes  
shattered dreams  
you know the consequence is killing youyou're heading for  
breakyou're gonna breakdown again  
your sails are headed for the wind  
you're gonna breakdown again  
your sails are headed for the windon bent knees  
so it seems  
don't always get what you ask for  
broken heart  
seems to start  
it's the consequence that's saving youyou're heading for  
breakyou're gonna breakdown again  
your sails are headed for the wind  
you're gonna breakdown again  
your sails are headed for the windyou're gonna breakdown again  
your sails are headed for the wind  
you're gonna breakdown again  
your sails are headed for the wind
