This Masquerade

Theresa Sokyrka

Are we really happy with this lonely game we play?
Looking for the right words to say
Searching but not finding understanding anyway
Yeah, we're lost in this masquerade
Both afraid to say we're just too far away
Being close together from the start
Yeah, we tried to talk it over but the words got in the way
Yeah, we're lost inside this lonely game we play
Thoughts of leaving disappear every time I see your eyes
No matter, no matter how hard I try
To understand the reasons why we carry on this way
Yeah, we're lost in this masquerade

Are we really happy with this lonely game we play?
Looking for the right words to say
Searching but not finding understanding anyway
Yeah, we're lost in this masquerade
Both afraid to say we're just too far away
Being close together from the start
Yeah, we tried to talk it over but the words got in the way
Yeah, we're lost inside this lonely game we play
Thoughts of leaving disappear every time I see your eyes
No matter, no matter how hard I try
To understand the reasons why we carry on this way
Yeah, we're lost in this masquerade
