Published by mfg sing sing music/socan - ascap You been cheatin', and I don't know why

You've been runnin' with another guy

You drive me crazy, babe I don't know

Oh tell me girl, or just let go You better watch what you say, and watch what you do

Cause if you're wastin' my time, I found someone new

The girl in my dreams, there's no in between

The girl in my dreams, there's no in between, yeah, my my So what you're tellin' me, you know it's untrue

What you're sayin' girl, is I'm a fool

If you believe it, just say so

Oh tell me girl, is it yes or no

I can't take it, you're callin' me down

I can't fake it girl, and stick around, no

I'm just a fool and I know that I depend on you, yeah yeah yeah You better watch what you say, I'm talkin' to
you, you baby

Cause if you're wastin' my time, I found someone new

The girl in my dreams, there's no in between

The girl in my dreams, there's no in between, guitar Yeah yeah yeah yeah

Well this is it girl, cause I gotta know

If there's a chance baby, tell me so

I wanna take it, a day at a time

Tell me baby, lay it right on the line, this time You better watch what you say, and watch what you do, you baby

Cause if you're wastin' my time, I found someone new

The girl in my dreams, there's no in between

The girl in my dreams, there's no in between, yeah

The girl in my dreams, there's no in between

The girl in my dreams, yeah, oh yeah
