

Wolf Inside

Lovelorn Dolls

I flirt with danger more and more, just because my life seems pour

I talk with the stranger once more, it's not good but I enjoy

My mother told me: be wise, and always think twice

(But) life's full of danger, there's no way that I could hide

My father told me: there's no men to break my heart

But there's no way I could escape

Walk fast, run fast

Do not look back

Don't wonder why

Do as we tell

Take a look through the looking glass

I am the wolf inside your heart

I love this anger more and more, it gives power to the pour

I'll fuck that stranger once more, it's so good when he is yours

My mother told me: be wise, and always think twice

Life's full of danger, there's no way that I could

Walk fast, run fast

Do not look back

Don't wonder why

Do as we tell

Take a look through the looking glass

I am the wolf inside your heart
