

Kiss the Sky (Westfunk Remix)

Jason Derulo

Don't know when we going home
But your friend could come along
I'm thinking why not, baby, why not?
I'm looking good, don't wanna blink
Mary tells me I'm a king
I'm thinking why not, baby, why not? Oh, take a sip, take a sip now
Take it down, take it down now
Say ah, say ah, say ah, say ah
Oh, do your dance, do your dance now
Sing it loud with me right now
Say ah, say ah, say ah, say ah 'Cause I believe we can fly now
Spread your wings and kiss the sky
Yeah babe, we can fly now
Spread your wings, we're miles high
So we can kiss the sky My new girl headline the news
But my ex still coming through
And I'm thinking why not, baby, why not?
Ain't nothing gon' stop the funk
I'm gon' make you pop your trunk
I'm thinking why not, baby, why not? Oh, take a sip, take a sip now
Take it down, take it down now
Say ah, say ah, say ah, say ah
Oh, do your dance, do your dance now
Sing it loud with me right now
Say ah, say ah, say ah, say ah 'Cause I believe we can fly now
Spread your wings and kiss the sky (spread your wings and kiss the sky)
Yeah babe, we can fly now
Spread your wings, we're miles high (ooh)
So we can kiss the sky Oh, kiss the sky
Oh, girl, oh kiss it, oh
Ooh, tell you all my deepest, darkest secrets
If you let me funk you, if you let me funk you
I just wanna let you baby
I just bought a mansion, you can keep it
If you let me funk you, if you let me funk you, yeah
Top down all day, got that broccoli
Six girls, G6, head to Miami
Tell you all my deepest, darkest secrets
If you let me funk you, funk you 'Cause I believe we can fly now

Spread your wings and kiss the sky
Yeah babe, we can fly now
Spread your wings, we're miles high So we can kiss the sky
Do it, baby, do it baby
Kiss the sky
We can kiss the sky
Kiss in the sky
Kiss in the sky, yeah
