Yellow Brick Road

Captain Beefheart & His Magic Band

Around the corner the wind blew back follow the yellow brick road
It ended up in black on black
I was taught the gift of love
Smiling children painted joy sunshine bright girl and boy
bag of trick s and candy sticks peppermint kite for my toy
Yellow brick black on black
Keep on walking and don't look backI walked along happy and them came back
I follow the yellow brick road
Lost and found I saw you down on the bound off the bound
Taught against the love yellow brick road took my load
Sunshine girl sunshine girl come to my abode 1-2-3-4-5 miles long
Oh I can't ever (so) go wrong
Clouds were gray yesterday down on my shoulder it's time to play
Yellow brick black on black
Keep on walking and don't look back
(repeat 1st verse)
I follow the yellow brick road...
