

Yeah, So What?

Cory Branan & Jon Snodgrass

I was mindin' my own
Toastin' my health
With my bottle and my table and my heart to myself
Driftin' in and out of focus
Starin' into space
When I caught you noticin' me noticin' your faceHey, what if I thought I knew ya?
Really what's it to ya?Yeah, so what if I was lookin' at you?
Yeah, so what if I was lookin' at you?
What's a poor boy with exquisite taste to do?
Yeah, so what if I was lookin' at you? Hey!
Just so happens you favor the ocean, babe
I tend to take after the moon
We could pretend that we could resist
But it's not my fault we fit like thisI say something funny?
Feel free to confront me, honeyYeah, so what if I was lookin' at you?
Yeah, so what if I was lookin' at you?
What's an overachieving underdog to do?
Yeah, so what if I was lookin' at you?Well you really think you hooked me
With that crooked little sway
You drive past an accident and try to look away
You were smilin' like a checkerboard, shinin' like a shoe
Can't believe I'm wastin' these lines on youAll right, you caught me red-blooded
You wanna make something of it?
Yeah, so what if I was fallin' in love?
Yeah, so what if I was fallin' in love?
I ain't gonna push it, honey
I ain't gonna shove
Can't nobody stop me from fallin' in love
Hey!
