Baby Loves You

Enuff Z'Nuff

You know I, I've
Got a little problem
I have to be the one
The second guy to noneWell, I've got
A pretty little girlfriend
Who tells me all the time
That she'll be forever mineAnd she saysThat your baby loves you
Yes, your baby loves you
When your baby loves you
Then nothings gonna hurt youSometimes
I lie here with my eyes open
With so much on my mind
My teeth begin to grindAnd she'll just hold me
Repeating through my senses
Now every thing's okay
When I will hear her sayWhen she saysThat your baby loves you
Yes, your baby loves you
When your baby loves you
Then nothings gonna hurt youWhen your baby loves you
All your dreams can come true
When your baby loves you
Then nothings gonna hurt youBaby loves youHold me tonight
Love me tonight
Come on pretty darlin'
Love me tonightLove me tonight
Love me tonight
Come on pretty baby
Love me tonightLove me tonight
Love me tonight
Come on pretty darlin'
Love me tonightLove me tonight
Love me tonight
Come on my pretty baby
Love me tonightYour baby loves you
When your baby loves you
When your baby loves you
Then nothings gonna hurt youYour baby loves you
You dreams can come true
When your baby loves you

Then nothings gonna hurt you(Baby loves you)
Love me tonight
(Baby loves you)
Love me tonight(Baby loves you)
Love me tonight
(Baby loves you)
Love me tonight(Baby loves you)
Love me tonight
(Baby loves you)
Love me tonightOoh
