

# Zzyzx Rd. (Pop Version)

## Stone Sour

I don't know how else to put this.  
It's taken me so long to do this.  
I'm falling asleep and I can't see straight. My muscles feel like a melee,  
My body's curled in a U-shape.  
I put on my best, but I'm still afraid. Propped up by lies and promises.  
Saving my place as life forgets.  
Maybe it's time I saw the world. I'm only here for a while.  
And patience is not my style,  
And I'm so tired that I got to go. What am I supposed to hide now?  
What am I supposed to do?  
Did you really think I wouldn't see this through? Tell me I should stick around for you.  
Tell me I can have it all.  
I'm still too tired to care and I got to go. I get to go home in one week.  
But I'm leaving home in three weeks.  
They throw me a bone just to pick me dry. I'm following suit and directions.  
I crawl up inside for protection.  
I'm told what to do and I don't know why. I'm over existing in limbo  
I'm over the myths and placebos  
I don't really mind if I just fade away. I'm ready to live with my family.  
I'm ready to die in obscurity  
Cause I'm so tired that I got to go. Where am I supposed to hide now?  
What am I supposed to do?  
You still don't think I'm gonna see this through? Tell me I'm a part of history.  
Tell me I can have it all.  
I'm still too tired to care and I got to go. I'm still too tired to care and I got to go [Repeat x6]
