

Stop

Jon Secada

Stop! Tell me what you're thinking
I can read your body, sex me with your mind
I, I know the feeling, let me be your shelter
Stay with you tonight I want to take you to another place in time
So I can feel you move and breath all over me inside
Dont be afraid to tell me how you wanna feel
Tell me what you want and baby I will make it real Stop! Tell me what you're thinking
I can read your body, sex me with your mind
I, I know the feeling, let me be your shelter
Stay with you tonight I wanna give you todo mi amor
You are my love, mi corazon
Dame tu amor, Ill never let it go
Dont let it slip away I wanna give you todo mi amor
You are my love, mi corazon
Dame tu amor, Ill never let it go
Dont let it slip away Look into my eyes and tell me what what you wanna see
I promise I will make your wish come true if you believe
When I look at you, I know exactly what I need
If you tell me what, Ill show you what I got in me Stop! Tell me what you're thinking
I can read your body, sex me with your mind
I, I know the feeling, let me be your shelter
Stay with you tonight I wanna give you todo mi amor
You are my love, mi corazon
Dame tu amor, Ill never let it go
Dont let it slip away I wanna give you todo mi amor
You are my love, mi corazon
Dame tu amor, Ill never let it go
Dont let it slip away
