

Our Prayer (Interlude)

Dream

Dear heavinly father I come to you today humble as I know how I praise you and
Lift your name up I only know it is because of you that I've made it this far i
Look at my life knowing that my days are precious and nothing is forever as you
Have sent me forward on this journey I have learned to take what I need and
Keep it moving I've realized that mt talents are a gift from you and what I do
With them is my gift back to you I wan't to give back to you and I know
Sometimes I go astray but I'll always come back to you because I love you
Because ilove you because ilove you because I love you in your precious name we
Pray amen!!!
