

Rock With You (Masters at Work remix)

Michael Jackson

Girl, close your eyes
Let that rhythm get into you
Don't try to fight it
There ain't nothing that you can do
Relax your mind
Lay back and groove with mine
You gotta feel that heat
And we can ride the boogie
at beat of love I want to rock with you (all night)
Dance you into day (sunlight)
I want to rock with you (all night)
Rock the night away Out on the floor
There ain't nobody there but us
Girl when you dance
There's a magic that must be love
Just take it slow
'Cause we got so far to go
You gotta feel that heat
And we can ride the boogie
at beat of love I want to rock with you (all night)
Dance you into day (sunlight)
I want to rock with you (all night)
t away And when the groove is dead and gone
You know that love survives
can rock forever, on I want to rock with you
with you I want to rock (all night) with you girl
with you, rock with you girl (yeah) (all night)
ight away I want to rock with you (yeah) (all ni
Rock you into day (sunlight)
I want to rock with you (all night)
k the night away Feel the heat feel the heat
Rock you into day (sunlight)
I want to rock-rock the night away.
