Heal (If I Stay Version)

Tom Odell

Take my mind
And take my pain
Like an empty bottle takes the rain
And heal, heal, heal, healAnd take my past
And take my sense
Like an empty sail takes the wind
And heal, heal, heal, healAnd tell me somethings last
And tell me somethings lastTake a heart
And take a hand
Like an ocean takes the dirty sand
And heal, heal, hell, healTake my mind
And take my pain
Like an empty bottle takes the rain
And heal, heal, hell, healAnd tell me somethings last
