

Cherry Bomb

Joan Jett and the Blackhearts

Can't stay at home, can't stay at school
Old folks say, Ya poor little fool
Down the street, I'm the girl next door
I'm the fox you've been waitin' for Hello Daddy, hello Mom
I'm your ch-ch-cherry bomb
Hello world, I'm your wild girl
Ch-ch-cherry bomb Stone age love and strange sounds too
Come on, baby, let me get into you
Bad nights causin' teenage blues
Get down now 'cause you got nothin' to lose Hello Daddy, hello Mom
I'm your ch-ch-cherry bomb
Hello world, I'm your wild girl
Ch-ch-cherry bomb Hey, street boy, what's your style?
Your dead end dreams don't make you smile
I'll give ya somethin' to live for
Have ya, grab ya 'til your sore Hello Daddy, hello Mom
I'm your ch-ch-cherry bomb
Hello world, I'm your wild girl
Ch-ch-cherry bomb Cherry bomb, cherry bomb
Cherry bomb, cherry bomb
Cherry bomb, cherry bomb
