

# Overpaid

## Deine Lakaien

Two wishes, a lifetime  
A sad and real man  
And hoping for money  
A higher grade  
The beggars are waiting  
They've got enough time  
Time that you are missing  
But don't shout it out: Taxi driver telling you  
Nasty things you'll never do  
And the thief is watching still  
With that sinful tiny king  
My adored beloved one  
Give me kisses burning sun Meet me later at the bar  
And the devil's dancer's car  
Sit down, wait and enter hell  
Share the laughter, put a spell  
On the ones that smile too much  
And walk upstairs and touch the sky  
And drink my tears and dance tonight Betray betray betray betray  
Marching down the hill  
Overpaid overpaid overpaid overpaid  
Will you pay the bill  
Money is a friend of mine  
And I will never thrill  
Overpaid overpaid let me pay the bill  
Influence my will Masterpieces are for sale  
Naked bodies ring the bell  
Mister goodtimes knows for sure  
Any splendid new encore  
Enter now his secret room  
Walk around and sip teardrops  
Lay down by the golden side  
And make love 'til morning light  
Enjoy the laughter, put a spell  
On the ones that talk too much  
At the top climax countdown  
And run downstairs  
And touch the ground  
And eat my sins

And dance tonight Betray betray ...
