

Taking Chances

Speach Impediments

Don't know much about your life
Don't know much about your world
But don't want to be alone tonight
 On this planet they call Earth
 You don't know about my past
And I don't have a future figured out
 And maybe this is going too fast
 And maybe it's not meant to last
 But what do you say to taking chances?
 What do you say to jumping off the edge?
Never knowing if there's solid ground below
 Or hand to hold, or hell to pay
 What do you say, what do you say?
 I just want to start again
Maybe you could show me how to try
 Maybe you could take me in
 Somewhere underneath your skin
 What do you say to taking chances?

What do you say to jumping off the edge?
Never knowing if there's solid ground below
 Or hand to hold, or hell to pay
 What do you say, what do you say?
 And I had my heart beating down
 But I always come back for more, yeah
 There's nothing like love to pull you up
 When you're lying down on the floor there
 So talk to me, talk to me like lovers do
Yeah walk with me, walk with me like lovers do, like lovers do
 What do you say to taking chances?
 What do you say to jumping off the edge?
Never knowing if there's solid ground below
 Or hand to hold, or hell to pay
 What do you say, what do you say?
 Don't know much about your life
 Don't know much about your world
