On Your Wedding Day

Shelley Fisher

If I had but one wish in my lifetime to come my way
I'd be standing by your side "On Your Wedding Day"
with my feet planted firm and my head held high
to show the the world how proud I was that here comes my bride
Oh lady, lady hear my plea an come walking down the isle
"On Your Wedding Day" to me.

On a clear day in June, not a cloud in the sky
and just before we say "I do" your mother starts to cry
I keep hoping and praying for my wish to come true
and someday you'll be my wife an I can take care of you.
Oh lady, lady hear my plea an come walking down the isle
"On Your Wedding Day" to me.

Now we may not live in luxury but three things honey
you can always expect of me,
I'm gonna love you and protect you,
most of all I'll respect you (you know I will).

If I had but one wish in my lifetime to come my way
I'd be standing by your side "On Your Wedding Day"
with my feet planted firm and my head held high
to show the the world how proud I was that here comes my bride
Oh lady, lady hear my plea an come walking down the isle
"On Your Wedding Day" to me.
