

# Who's Gonna Play This Old Piano?

**Jerry Lee Lewis**

Who's gonna play this old piano  
After I'm not here?  
Who's gonna sing these sad songs to you  
Cause your eyes to fill with tears? Who's gonna keep these ivories talking  
Like Jerry's doin' now?  
Who's gonna play this old piano  
After my last bow? When that final curtain calls  
Someday Lord it will  
Who'll take my place on that stage  
When everything is ah hushed and still? Who's gonna touch these keys with feeling?  
Really get to you  
Who's gonna play this old piano?  
When my time is through  
The killer ain't through yet though baby We've laughed and you know we've cried together  
Done a million shows  
So I kinda think like I  
Have every single right to know Who's gonna keep this music going?  
Who's will carry on?  
Who's gonna play this old piano  
After the killer's gone?  
Give it to me boy Hangin' likedungotin
