

# Just Reach Out (Wake-Up Call Version)

## Petra

Sometimes the night seems to go on for days  
When it's hard to see the light through the darkness and haze  
While the world around you makes you feel out of place  
And the burdens that you carry are just too hard to face Just reach out and he'll reach in  
Take your broken heart and make it whole again  
It don't matter who you are or where you've been  
Just reach out and he'll reach in Standin' in a crowd but still all alone  
Cryin' out for answers that nobody knows  
Everybody's busy lookin' out for themselves  
Is there anyone who really cares about anyone else? Just reach out and he'll reach in  
Take your broken heart and make it whole again  
It don't matter who you are or where you've been  
Just reach out and he'll reach in You say you've walked ten thousand steps away  
But did you know that it's only one step back?  
Because the one who hears you when you pray  
Is the one who's there beside you and he'll never walk away Just reach out and he'll reach in  
Take your broken heart and make it whole again  
It don't matter who you are or where you've been  
Just reach out and he'll reach in Just reach out and he'll reach in  
Take your broken heart and make it whole again  
It don't matter who you are or where you've been  
Just reach out and he'll reach in Reach out your way  
Reach out your way  
Reach out your way  
Reach out your way  
You know I love you
