

The Game

Smash Mouth

Did you ever feel uninvited
Pissed off, ready to lose it
You're just spinning all your wheels
Did you ever feel uninvited
Not on the list tonight it
Don't mean you can't make it real Whoa, whoa, whoa
Take your nothing
Whoa, whoa, whoa
Make it something Hey, what you wanna do today,
What you really wanna say
Show me what you're made of
Hey, you know you can have it all
Pick it up and throw the ball
All you gotta do is play the game
Play the game Got a backstage pass, in my pocket
It's yours, if you want it
The whole wide world is on your side Come on and stop freakin'
No sense in over thinkin'
You gotta walk before you fly Whoa, whoa, whoa
Take your nothing
Whoa, whoa, whoa
Make it something Hey, what you wanna do today,
What you really wanna say
Show me what you're made of
Hey, you know you can have it all
Pick it up and throw the ball
All you gotta do is play the game
Play the game
Yeah, you got it,
Yeah, if you want it,
Yeah, don't stop it now Hey, what you wanna do today,
What you really wanna say
Show me what you're made of
Hey, you know you can have it all
Pick it up and throw the ball
All you gotta do is play the Hey, what you wanna do today,
What you really wanna say
Show me what you're made of
Hey, you know you can have it all

Pick it up and throw the ball
All you gotta do is play the game
Play the game
Play the game
