Too Long (Radio Edit)

Charlie Winston

Hey, jump on the back
It's time that we took a ride
To a place that's been forgotten
Stay, hold tight
Out on the open road
We might just find what we've been missingToo long I've been waiting for the rhythm
Too long you've been patient and forgiving me
Too long I've been waiting for the rhythm
But I'm not gonna wait for that day anymoreFeel the wind in your hair
Pick at a pillow and the feathers
All float away into nowhere
See, it's us out there
Doing little dances, chancing romances
Waiting for the sand man to see who's lost or found
Too long I've been waiting for the rhythm
Too long you've been patient and forgiving me
Too long I've been waiting for the rhythm
But I'm not gonna wait for that day anymore
No more, anymore, no more
