Buried in the Nude

Screaming Females

stretch your legs to fill the coffin
vacation in your clothes
casual friday
it's all a mess
when affairs are exposedthe curtains part
the shades are flesh
second hands turn to knives
you are buried in the nudeinvitations in the face
they suffer for the bored
holy wars
dark lithium
when affairs are exposed
i bet you want it
these are the greatest times
oh i bet you need it to feed
i bet you need it to feed
