

Nice

Chris Brown

Scott Storch, Game, Chris Brown

The meanest, the meaner, for a second I seen her
Had me open, got me lookin', losin' all my control
The passion I'm feignin', baby, you're the new meanin'
But I found myself trippin' when you walked through the door
And I know it's not like me gettin' beside myself
She got me feelin' that way
And I know it's unlikely that you gon' deny me
And just walk away
I'll be that guy that don't have time to play
Flippin' like a schedule, well, it's 'bout the same
The ballers in your court ain't ready for your game
It's lookin' like them knockers ready for my chain
She be that girl I'll be waitin' for
Sending me them signals that I can't ignore
But I was gonna get her on the dance floor
Then I saw her headed to the exit door
I call her nice 'cause she got it
Do whatever, whenever 'cause she 'bout it
That deer's nice 'cause I got it
Do whatever, whenever 'cause I'm 'bout it
I'm fallin' for her, she got me trapped
That girl's nice 'cause she got it
'Cause she got it, she got it, breathe, breathe
Her body is screamin', believe that I'm listenin'
To hear what you're sayin', girl, I'm losin' my cool
You got you a soldier and I got me a rider
And you ain't gotta stress it 'cause it's nothin' to prove
I know it ain't easy being a sexy girl
That's always gettin' in her way
But I'm here to tell you, you got me up on you
And I won't let you slip away
I'll be that guy that don't have time to play
Flippin' like a schedule, well, it's 'bout the same
The ballers in your court ain't ready for your game
It's lookin' like them knockers ready for my chain
She be that girl I'll be waitin' for
Sending me them signals that I can't ignore

But I was gonna get her on the dance floor

Then I saw her headed to the exit door

I call her nice 'cause she got it

Do whatever, whenever 'cause she 'bout it

That deer's nice 'cause I got it

Do whatever, whenever 'cause I'm 'bout it

I'm fallin' for her, she got me trapped

That girl's nice 'cause she got it

'Cause she got it, she got it, breathe, breathe

Yeah, you, just know now that it's 'bout to go down

The club is packed up, the word around town

That this is the jump off, you know when drops

That this is the jump off

I did it for Big Pac and for my Chris out the [Incomprehensible] are too hot

They're takin' their clothes off, they're yellin' out Tupac

'Cause I'm from the west side and the from the east coast

My from down south, they're lettin' their teeth show

'Cause this ain't Def Jam and this ain't Bad Boy

This ain't Star Trek, this is the last court

They're turnin' the lights on, the bar is shut down

I'm walkin' with Scott Storch and me in the front now

The is with me, they're ready to pop off

You're bringin' your girlfriends, you gotta get knocked off

So hop in the 6.4 'cause this 'bout to go down

It's goin' down

I call her nice 'cause she got it

Do whatever, whenever 'cause she 'bout it

That deer nice 'cause I got it

Do whatever, whenever 'cause I'm 'bout it

I'm fallin' for her, she got me trapped

That girl's nice 'cause she got it

'Cause she got it, she got it, breathe, breathe

I call her nice 'cause she got it

Do whatever, whenever 'cause she 'bout it

That deer nice 'cause I got it

Do whatever, whenever 'cause I'm 'bout it

I'm fallin' for her, she got me trapped

That girl's nice 'cause she got it

'Cause she got it, she got it, breathe, breathe
