

One Time for Old Times

38 Special

You're lookin' fine, it's been a long time
I still remember everything that used to be
Like the love, it's always so easy loving you for me
It's been a while, though time has got a smile
I see it now, love feels new to me
Tell me have you still got a place in your heart
Is there a chance you'll be showing me
One time for old times darlin'
One kiss for the love we missed
One time for old times
And for all the love that we've lost along the way
You're still the same, nothing's really changed
Still got the look that always got through to me
I see you now, love feels new to me again, once again
Tell me now, has anyone taken my place
Is there any chance you'll come back to me
One time for old times, honey
One kiss for the love we missed
One time for old times
And for all the love that we've lost along the way
One time for old times, darlin'
One kiss for the love we missed
One time for old times
And for all the love that we've lost along the way
You're lookin' fine, it's been a long time
I still remember everything that used to be
Tell me have you still got a place in your heart
Is there any chance you'll be showin' me
One time for old times, darlin'
One kiss for the love we missed
One time for old times
And for all the love that we've lost along the way
One time for old times, honey
One kiss for the love we missed
One time for old times
And for all the love that we've lost along the way
One more time
