In the Blood

Entombed

You seek the answer
Too plain to see
Come play with fire
Come play with meYou either know or never will - find it!
You go be what you fight and kill
It's in your blood
You either know or never will - find it!
So go be what you fight and kill
It's in your bloodKnow what you know
And what it means
In the age of the snake
It is not what it seemsYou either know or never will - find it!
You go be what you fight and kill
It's in your blood
You either know or never will - find it!
So go be what you fight and kill
It's in your blood
It's in your blood
You are a serpent saint
Serpent saintMan of wood forgot the gods
Forever punished and restrained
Lose your fear through Lucifer
The heaven here wait to be reined
Man of wood forgot the gods
Forever punished and restrained
Lose your fear through Lucifer
Become the heir
The serpent saintYou either know or never will - find it!
You go be what you fight and kill
It's in your blood
You either know or never will - find it!
So go be what you fight and kill
It's in your blood
God... mud... now it's in your blood
God... mud... now it's in your blood
God... mud... now it's in your blood
God... mud... now it's in your blood
God... mud... it is in the blood
