Free Me

Foo Fighters

Free me right now
You take me away, take it from me
Free me right now
You take me away, take it from me, yeah
Beautiful prisoner left here for dead
Promises made and sentences read
Voices and visions are locked in my head
Like a safe full of sorrow
All of the words that we dared never speak
All of our ghosts and the secrets we keep
Gather them all and we'll bury them deep
Like a safe full of sorrow
Free me right now
You take me away, take it from me
Free me right now
You take me away, take it from me, hey
One for forever, one in the name
Once to remember, we're one and the same
One to forget but it always remains
Like a safe full of sorrow
Free me right now
You take me away, take it from me
Free me right now
You take me away, take it from me
Can you free what's keepin' you?
Well, I need somebody to
Free me, free me
Free me, free me
Oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh
Free me right now
You take me away, take it from me
Free me right now
You take me away, take it from me
Can you free what's keepin' you?
Well, I need somebody to
Free me, free me
Free me, free me
Oh, oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh, yeah
