

Love Letter To Japan

The Bird and the Bee

From the west to the east, I have flown to be near you
I have come all this way to be close, to be here with you
And now, all my heart I will lay down precisely at your feetMy beloved, oh my sweet, all the gifts you have
given me
The patience and the peace, cherry blossoms and the candy
I am yours, I am yours for as long, for as long as you will have meDearest one, I had a dream, I mouthed the
words
The sound came out, I spoke to you in Japanese
Oh my love, I cannot see, I heard your name
I know at once there was no place I'd rather be
All at once there was no place that I would rather beFrom the west to the east, I have flown to be near you
I have come all this way to be close, to be here with you
And now, all my heart I will lay down precisely at your feetMy beloved, oh my sweet, all the gifts you have
given me
The patience and the peace, cherry blossoms and the candy
I am yours, I am yours, for as long, for as long as you will have meI packed my bag, I'm on my way
I am prepared for any season, I am prepared to stay
Here is my heart, my beating heart
Oh, how I'm longing for this love affair to start
How I'm longing for this love affair to finally startFrom the west to the east, I have flown to be near you
I have come all this way to be close, to be here with you
And now, all my heart I will lay down precisely at your feetMy beloved, oh my sweet, all the gifts you have
given me
The patience and the peace, cherry blossoms and the candy
I am yours, I am yours for as long, for as long as you will have meFrom the west to the east, I have flown to be
near you
I have come all this way to be close, to be here with you
And now, all my heart I will lay down precisely at your feetMy beloved, oh my sweet, all the gifts you have
given me
The patience and the peace, cherry blossoms and the candy
I am yours, I am yours for as long, for as long as you will have meWest to the east, all this way to be close, all
my heart
My beloved, oh my sweet, peace
I am yours, I am yours
