

# The Gospel

Ryan Stevenson

a restless generation were turning over every stone  
hoping to find salvation in a world thats left us cold  
can we get back to the altar back to the arms of our first love theres only way to the father and hes calling out to  
us  
to the captive it looks like freedom to the orphan it feels like home  
to the skeptic it might sound crazy to believe in a GOD who loves in a world  
where our hearts are breakin and were lost in the mess weve made  
like a blinding light in the dead of night  
its the gospel the gospel that makes a way  
its the gospel that makes a way  
its the cure for our condition  
its the good news for us all  
its greater than religion its the power of the cross  
so can we get back to the altar back to th arms of our first love theres only one way to the father and hes calling  
out to us  
to the captive it looks like freedom to the orphan it feels like home  
to the skeptic it might sound crazy to believe in a GOD who loves  
in a world where are hearts are breaking and were lost in the mess weve made  
like a blinding light in the dead of night  
its the gospel the gospel that makes a way  
its the gospel that makes a way  
its the gospel that makes a way  
its the gospel that makes a waythe amazing news of the gospel is not that we can recieve Jesus into our lives  
but that hes already recieved us into his  
in my own life it means forgiveness  
when i know i deserve the fall  
it called me out of my darkness and carried me to the cross  
in the moment my eyes were opened in the moment my heart was changed  
like a blinding light in the dead of night its the gospel  
oh to the captive it looks like freedom  
to the orphan it feels like home  
to the skeptic it might sound crazy to believe in a GOD who loves  
in a world where are hearts are breaking and were stuck in the mess weve made  
like a blinding light in the dead of night its the gospel  
the gospel that makes a way its the gospel that makes a way  
its the gospel that makes a way its the gospel that makes away  
its the gospel the gospel that makes a way
