

# Too Many Times (Energy Mix)

**Kai Tracid**

Too many times, you have been high  
too many times, you ran away, in need to cry  
too many times, your body lies awake  
too many times, these pills you take...too many times, you woken up depressed  
too many times, you put your life to the test  
too many times, you've taken this trip  
too many times, you have slippedtoo many times, your body cant take  
too many times, you made a mistake  
too many times, you havent realized  
too many times, you mind became paralyzed
