You Knew

[Mario Winans](#)

Oh baby, baby
You know the time I was lovin'
Girl out of time, girl out of time
Girl out of time, girl out of time
I was lovin' you, babyEvery little thing you said
Didn't come from your heart
Now I'm layin' out in my bed
Wonderin' what we are
'Cause you never meant what you said
And you throw it all on my head
You made me believe, that you wanted me
You could've told the truth instead, babyI don't know why didn't realize
You took the time to pick me up
And let me down baby
Look in my eyes, you can't deny
That you're the reason for the pain I feel insideWhen I looked into your eyes
There was nothin' I can see
Now I'm lost and can't find my way
'Cause love has blinded me and now
I don't know what to do, nothin' that have to prove
You played me for a fool, well all the time I was lovin' youNow the way that things were goin'
I knew, I should've left back then
But my heart was steadily growin'
Blaming, all the man I am
If you felt this way, you should've showed it
You shouldn't ever took so long
You made it cleared, that you don't care
Where did I go wrong, baby?I don't know why didn't realize
You took the time to pick me up
And let me down, baby
Look in my eyes, you can't deny
That you're the reason for the pain I feel insideWhen I looked into your eyes
There was nothin' I can see
Now I'm lost, can't find my way
'Cause love has blinded me and now
I don't know what to do, nothin' that have to prove
You played me for a fool, well all the time I was lovin' youYou said you loved me, baby
But now I'm lonely again
It's gonna take time for me

Yes, you did, yes you did
You could've told me
That you don't love me anymore
Somebody tell me why, babyWhen I looked into your eyes
There was nothin' I can see
Now I'm lost, can't find my way
'Cause love has blinded me and now
I don't know what to do, nothin' that have to prove
You played me for a fool, well all the time I was lovin' youCan't act like you didn't know
Didn't owe it all that time
But I can't blame you, I should've known
When I looked into your eyes
Girl, so many nights of sittin' alone
I just sit and wonder why
Baby, what you did was dead wrong
Didn't have to lieWhen I looked into your eyes
There was nothin' I can see
Now I'm lost, can't find my way
'Cause love has blinded me and now
I don't know what to do, nothin' that have to prove
You played me for a fool, well all the time I was lovin' youWhen I looked into your eyes
There was nothin' I can see
Now I'm lost, can't find my way
'Cause love has blinded me and now
I don't know what to do, nothin' that have to prove
