I'm Gonna Move Right In

The Velvet Underground

Well she's straight and look like a lot of fun
The bar's open I'm gonna go have a drink with everyone
Walking downtown skies can't get any greater
Haven't got no money and I haven't got a prayerI'm gonna move right in
I'm gonna move right in
I'm gonna move right inAfter we hang a little we're gonna have a little fun
Gonna go shoot and kill and go knife everyone
The bar looks like haven gonna have myself a drink
Hey man don't you know I fell right in to the swingI'm Gonna move right in Yeah
I'm Gonna move right in
I'm Gonna move right inGonna go uptown so I can get myself straight
Gonna go see my mama see if I got myself a date
Time is running' out I'm coming' right down to the wire
Gotta go do something to get myself higherI'm gonna move right in hey
I'm gonna move right in
I'm gonna move right in
